OTTAWA POLICE SERVICE

NOTICE TO DEMONSTRATION PARTICIPANTS

It is a criminal offence to obstruct, interrupt or interfere with the lawful use, enjoyment, or operation of property.

The offence is known as mischief to property.

The unlawful act of blocking streets in the downtown core is resulting in people being denied the lawful use, enjoyment and operation of their property.

We are providing you notice that anyone blocking streets or assisting others in the block of streets may be committing a criminal offence.

You must immediately cease further unlawful activity or you may face charges.

You could be arrested without a warrant for this offence if you are a party to the offence or assisting others in the direct or indirect commission in this offence.

Whether you are released on bail depends on factors contained in Part XVI of the *Criminal Code*.

Offence-related property, including vehicles, may be seized as part of the offence. The vehicles may be detained and, following a conviction, possibly forfeited.

Charges or convictions related to the unlawful activity associated with the demonstration may lead to denial in crossing the USA border.
